

**CHORAGIC FUND:** The music heard each Sunday is an important and enriching part of the worship experience here at First Church. The Choragic Fund helps to support our music program at First Church and the

guest musicians at Christmas, Easter and other special music during the year. As you enjoy the inspiring sounds of the music this Easter Season, please consider a donation to the Choragic Fund, and thank you!

**Choragic Fund Gift Directive:** This form is intended to offer donors guidance as to the difference between the Choragic Fund and the recently established Special Music Fund. Upon recent review of donor intent it was discovered that the individual who established the Choragic Fund intended for the principal to remain intact (in our investments) and only interest to be used. In respect of these wishes, we have restored the **Choragic Fund** to allow only interest to be used on future gifts to this fund.

As an alternative for those who would like the full balance of their donation to be available for immediate special music needs, a **Special Music Fund** has been established. We ask that donors to either fund complete and return a copy of the attached form with their donation in order that their gift may be applied as intended.
