

In Person Vision Meetings start on Sunday morning July 25!

We are excited to offer in-person VISION MEETINGS at First Church.

Our Vision Team hopes that an additional 100 members and friends of First Church will participate in these gatherings on Sundays at 11:30am through August.

Your voice, your perspective, is important as we plan for the future ministries and mission of First Church!

If you have yet to participate in a Vision Meeting, please sign up:

- 1) Please email Vision Team member [Susan Saunders](mailto:susansaunders@comcast.net) at susansaunders@comcast.net letting her know which Sundays at 11:30am – between July 25 and August 29 - work for you
- 2) Sign-up on Sunday morning! A Vision Team member will be available after worship to help you sign up for available times, and, to answer questions. Look for them at their own table, near the welcome table outside.
