BURLINGTON, VT**

Position Description: Security Personnel

Job Posting

Do you have a flexible schedule and want to make a few extra bucks? First Congregational Church is adding another member to our security staff. You will be opening and closing the building for after office-hour rentals, like Alcoholics Anonymous, funerals and weddings. Shifts may include light event setup (moving chairs and tables, checking temperature settings, or setting up projector and microphones), unlocking the building, directing visitors, cleaning and sanitizing, and locking and securing the building after the event. Must be able to follow instructions for each shift and provide any necessary feedback from the event.

As a church in downtown Burlington, you will have to compassionately communicate and clearly enforce boundaries with vulnerable populations to keep the building and grounds safe, welcoming, and secure for members and guests. You must be willing to undergo a background check and security protocol training. You will support our security staff on a weekly basis providing coverage of 10-15 hours each week.

This is a great opportunity for a responsible college or graduate student, a retired or semi-retired professional or remote worker.
