 - Need to Set Up Your First Church Realm Account?** You can use Realm for church communications and to track your giving – and for giving and pledging online. For more info, contact Office Manager, Caroline Catlin: office@firstchurchburlington.org

Please note:

- Annual Per Capita dues to the Vermont Conference UCC are based on the number of FCCB members in your household.
- Regardless of how you pledge, you will receive confirmation of your pledge from the Stewardship Team. Thank you!

My/Our Commitment to First Church for 2022

For the 2022 calendar/fiscal year please consider the biblical tithe, 10% of household income. How do you calculate that: gross income, taxable or after taxes? You decide what is possible for you. Perhaps 5%, a half-tithe, better fits your budget. If 5% is too high for you, consider starting at 1% and adding another 1% each year until you attain a full tithe of 10%. What is essential for each of us is that we are on a path towards tithing and that we are honest with God, our faith community and ourselves.
